DomeMUN 2026 Mailing V

Dear delegates, student officers, MUN directors and guests,

On behalf of the Secretariat, we would like to thank you all for being part of the first-ever DomeMUN, held on 31 October and 1 November. Whether you were debating in the Security Council, drafting resolutions in the General Assembly, or guiding your delegates as a director, you helped make this inaugural conference a success.

We would also like to thank our student officers, our staff and everyone who supported us behind the scenes.

To help us improve future editions, we kindly ask you to complete our feedback form here. Your input will help shape the next DomeMUN.

If your name, school or committee on your certificate is incorrect and you can request a correction through the certificate correction form.

If you have any questions, please contact us at domemun@hageveld.nl.

We hope to see you again at DomeMUN!

Kind regards,

Secretary generals of DomeMUN 2026

Tijn Janssen and Keira Wenckebach
