If you travel by public transport, the easiest route from Haarlem Centraal is to take the Connexxion R-net 340 towards Uithoorn and get off at the stop Wipperplein Heemstede. From there it is a short walk to Hageveld 15. Those arriving at station Heemstede-Aerdenhout can take the train one stop to Haarlem Centraal and continue with the same bus, or walk to the school, which takes roughly half an hour. We recommend checking 9292.nl shortly before you leave for the most up-to-date travel information.

You are also welcome to come by bike.

All further information, including the research reports, the Rules of Procedure and the map, can be found on domemun.nl. Should you have any questions, please do not hesitate to contact us at domemun@hageveld.nl.

We look forward to seeing you at DomeMUN 2026 and to forming a dome of international peace together.

Kind regards,

Secretary generals of DomeMUN
